HUNTRESSA WON

The Chestnut Daughter of Pirate of Penzance Beat Sambo and Jordan in the Mud.

FOR FAVORITES.

Heavy Mud and Poor Riding Combine to Make the Picking of Winners a Hard Matter.

True to her breeding, Huntressa, Wade McLemore's chestnut filly, by Pirate of Penzance-Sayonara, won the Ozark Stakes. six furlongs, for 2-year-old colts and fillies. at the Fair Grounds yesterday. The mud was up to her hocks, and she was opposed by two crack colts, Sambo and Jordan. Jordan was a 3 to 5 favorite, Sambo 5 to 1 Jordan was a 3 to 5 favorite. Sambo a to 1 and Huntressa 3 to 1. Has Gift and Wakita were held at free prices. The start was good. Jordan was away, running on the inside: Huntressa, off, standing, flat-footed on the outside. With all this dissidvantage of start, she was first to the eight-pole, as the head the heat roing such as it was I. of start, she was first to the eight-pole, as she had the best going, such as it was. J. Daly took Jordan in the new, black mud along the rail, which was the worst going. A good many people thought that Sambo could not run in the mud. He surprised them with his speed in the going. Though a slow beginner on any kind of a track, he kept right there, and at the three-eighths pole looked like a sure winner. Jordan was evidently weary as they swept around the turn and was gosting ready to hand it to any one that came along. Sambo was making an awful bid there, and under Dale's strong hands looked like a winner. Huntressa under Bell, was doing nicely, thank tressa, under Bell, was doing nicely, thank you. Jorlan was done at the stretch head and threw it up. Daly's ride in the soft going tired him. Sambo now bore down under a wet rail and looked all over a winner, as Dale was just holding him well together and letting him run under a first-class mutride. Sambo's chances never looked brighter than they did in the last 100 yards, when Huntressa swerved a good bit. She lost some ground. Then Dale, thinking that he had it in his pocket, eased the big colt up. Huntressa was not done, however. Bell drew the whip and let her have two cracks of it.

drew the whip and let her have two cracks of it.

Gamely the chestnut mare responded. Before Dale awoke to his danger she had Sambo beaten. Dale got at the big fellow again, but when a lumbering, long-striding horse is once eased up, especially in mud, it is a hard matter to get him going again. Eambo could not respond in time and Huntressa won the 31.39 fpr Mr. McLemore. She is a grand filly, but she was lucky to win. Dale gave Sambo a bully ride until he eased him up at the final fifty yards. It was fust a bit of hard luck and a little game riding on that of bell at the end.

Though Bell got the filly off badly and used her a lot in the run to get to Jordan, and then let her swerve in the stretch, he certainly stuck to his job to the end and rode her well in the final strides. He quite outgeneraled and outfinished Dale then.

Mud was knee-deep and it was a bad day for favorites. A world of money was beton Lady Bramble in the first race.

Bronze Demon burned it up for the bettors. Lady Bramble was off in front, but was made to quit at the five furlongs, and the Demon came home alone.

Sister Sarah, a great mudder, won the second race easily, well ridden by Dale, Attelle's race should have earned judicial notice. Mr. Williams's filly looked like a 1-to-2 shot. She can beat Sister Sarah going anything, in any kind of going, on a race track. To be sure she had Enos up and that was enough to make her 7 to 1 instead of 1 to 2. Enos ill-used the grand filly at the post and made a mess of her during the race. She finished in the ruck and near to last place.

When a allyy that should be 1 to 2 and win a block is 7 to 1 and runs last it is time some one woke up. She liked the going, she was fit and her owner and trainer was sure she would win. The grand stand was on the track at last reports. How long it will be there remains to be seen.

Rochester ran a good race in the last event and broke every one but his own party, for he was a rank outsider. His was a bit of form reversal, but every one was glad he woke up and helped so good a sports- as Captain Rice. Rochester was a 20-to-1 shot, Petit Maitre an 8-to-5 shot, but Rochester won by a block.

ROLLING BOER'S RICH RACE. Hildreth Entry Captured the Illinois Stake at Worth.

Hildreth Entry Captured the Hilsols
Stake at Worth.

Chicago, Ill., Oct. 12.—Rolling Boer and
The Lady, coupled as the S. C. Hildreth
entry, finished first and second in the Illinois Handicap at Worth this afternoon,
beating Barrack, the 2 to 1 favorite, who
was unable to find a footing in the muddy
track, and ran far below his mark. The
conditions were exactly suited to Rolling
Boer, who could have gone to the front
at any time in the race had Coburn wished.
He, however, allowed The Lady to set the
pace, closely followed by Charile O'Brien.
At the mile both the Hildreth horses were
in the lead. The track was a sea, in some
places covered to the depth of an inch or
more with water and with a drizzling rain
falling during the entire afternoon.

STEEPLECHASE THE FEATURE. Zinziber Won the Closely Contested

Einsilher Won the Closely Contested Event at Morris Park.

New York, Oct. 12.—Zinziber, running in the cherry and white hoops of Mr. Chambblet, won the champlon steeplechase at Morris Park to day. Coupled with his stable companion, Mars Chan, he was favorite in the betting at 3 to 1, having been backed down from four to one. The race was over the trying course of about three and a half miles and fourteen good timber toppers faced the starter. At flag fall, Mr. Hayes, who rode his own horse, Cock Robin, went out to make the running, and showed the way for the greater part of the journey. Diver ran with him for a mile and a half and then Fulminate moved up and helped to make the pace. Going up the back stretch the last time, Mystic Shriner moved up and took command, but Veitch on Zinziber, who had been rating his mount along in fifth and sixth place, then made his move and passing one after another of those in front of him, took the lead at the last jump and, coming on, won easily by eight lengths in the track record time of 7.02. Mystic Shriner, ridden out, beat Fulminate a length for the place. King T. refused at the Liverpool jump and Marylander fell. Finnegan, his jockey, escaped with a bad shaking up. The race had an added money value of \$2,000. Of the favorites, Chitton, in the Nursery Handicap, was the only one to d'sappoint his followers. William C. Whitney won both the Hunter and Nursery handicaps. In the Hunter, Morningside was a hot favorite at 3 to 5. Turner trailed with her to the head of the stretch and then came on and won earliy. In the Nursery Handicap, King Hanover, at 5 to 1, won. Turner also had the mount. He made the running head and head with chilton and Whisky King for five furiongs and then drew away and won cloverly by a length and a half. Whisky King took the place, a neck before Chilton.

Summarles at Morris Park.

First race, seven furiongs—McMeekin, 115 (Connor), 1 to 2 and out, won; Belle of Troy.

Yearlings From Lady Meux.

W. C. Whitney has successfully concluded negotiations with Lady Meux, the breeder of Volodyovaki, whereby 6 year yearlings which were breed at Lafly Meux's stud will carry the "Eton blue-brown cap" of the well-known American turfman during their racing career abroad.

The youngsters comprise four coits and three filles, all of whom were some time since named by Lady Meux, and the most interesting doubtless pertains to Ayreshire Beauty, the brown filly by Ayrshire, out of La Reine, and hence half-sister to Volodyovaki.

Ayrshire Beauty is the tenth foal of La

Longfield Imperial and Liverpool's St. George for 1903.

The quartet of coits is headed by Pan Michael, a bay colt, by Jeggler, out of Lady Susan, she by St. Simon, out of Bonnie Snood. Lady Susan was bred by Lady Meux, and carried the "red, green sash" to victory in the 15,00 Prince of Wales's Plate at York upon the occasion of her only juvenile apearance in 1896.

Uncle Reggie is a brown colt, by Ayrshire, out of Agnostic, by Rosicrucian, and is, therefore, a full brother to Ardeshire. Pan Michael and Uncle Reggie have each been heavily engaged for the future. Both are in the Newmarket Stakes, Epsom Derby and \$50,000 Jockey Club Stakes of 1903, as also the \$50,000 Derivoces of Wales Stakes for 1904. Pan Michael is in the 125,000 National Breeders' Produce of 1902, while Uncle Reggie is in the \$50,000 Eclipse of 1903.

O'Donovan, by Donovan, out of Time Bell, and White Webbs, by Trenton, out of Spoleta, are the remaining colts leased by Mr. Whitney, O'Donovan is in the Sandringham Foal Stakes and the Eclipse of 1903. while White Webbs is in the Hurst Park Foal Plate of 1902 and the \$10,000 Sandown Foal Stakes of 1903.

Miners Were Too Heavy for Their Opponents, Who Played Plucky Ball.

REPUBLIC SPECIAL.

Rolla, Mo., Oct. 12.—Missouri School of Mines met Shurtleff on the School of Mines athletic field and won a victory by the score of 57 to 0. The game was clean in every particular and good feeling was the chief characteristic. In point of weight M. S. M. had much the best of it. Shurtleff's tackling was good, but they lacked the force to make any success. The M. S. M. team played with a new line-up.

For Shurtleff, Haight, E. Swalne, Miller and Brown played plucky ball. Miller in particular threw himself in the way of the heavy miners and tackled them with much spirit. The field was heavy with mud from a downpour of rain. The crowd, although slim, was most enthusiastic.

The last half of the game was played mostly by new men on the local second team, who played almost as aggressive ball as the first team. Had the good playing of Shurtleff been backed up by weight they would probably have scored several points against the miners. The work of the miners was a marked improvement over that of last Saturday. The following is the line-up:

War Veteran

is one of the thankful who found relief after 52 years' suffering with dreadful rupture, by calling upon the famed rupture specialist, Dr. W. A. Lewin, Relief came with the first treatment and within three months Eberhardt was entirely cured. Several medical journals commented upon this cure as most remarkable because of the advanced age of Veteran Eberhardt and because for more than half a century he was considered hopelessly crippled. The Medical Journal stated: "A most wonderful rupture cure was the case of a 30-year-old man, after the rupture had existed 52 years. The patient is A. W. Eberhardt, a Mexican war veteran. The canal and external ring were entirely obliterated so as to make a recurrence of—

impossible." * * One of the professors of a N. Y. Institute and the celebrated surgeon of Rush Medical College. Chicago, comment highly on the "Lewin" rupture treatment in the "Railway Surgeon," a medical journal. Dr. Thos. Manley, surgeon of Harlem Hospital. New York, in his renowned book, "Hernia or Rupture," praises Dr. Le win's method as a sure cure.

So don't delay one minute. Delays are dangerous, besides it costs nothing to consult with this world-famed rupture specialist. Rich and poor alike can get his advice free. Read what Veteran Eberhardt writes:

"To the Public-52 years ago I was ruptured and many physicians at various times were unable to cure me. Now at the age of 90, when I had given up all hope, I am cured. Dr. Lewin gave me relief at the first treatment and it has now been several months since I was discharged by him absolutely cured.

"A. W. EBERHARDIT."
